

Retirement planning needs digital

Very few workers are offered digital tools to help them prepare for retirement.

	Percentage of workers offered	Percentage who find the service very / extremely helpful (among those offered)
 Online retirement modeling tools	10%	65%
 Digital access to view / manage retirement savings	11%	68%
 Webcast meetings/seminars about pensions/saving for retirement	7%	63%
 Company-sponsored blogs and/or online network groups	5%	62%
